

DR. DOME TONE!

IT HAD BEEN ONE OF THOSE HOT, SUNNY DAYS ON THE PLANET KNOWN AS THIRD EARTH!

IT WAS A SIMPLY BEAUTIFUL DAY WHICH WILYKIT AND WILYCAT HAD SPENT LAUGHING AND SWIMMING AT THE BEACH BEYOND THE FOREST OF THE UNICORNS.

BUT THAT WAS BEFORE THE SEA SUDDENLY EXPLODED WITH UNEXPECTED MOVEMENT--

FACT FILE

NO. 5

NAME: Snarf

PLACE OF BIRTH: The Planet Thundera

HEIGHT: 2'7"

WEIGHT: 63 lbs

EYES: Red

HAIR: Brown, yellow beard

Despite his size Snarf is one of the oldest Thundercats, although his exact age remains a mystery. Like Jaga he has been Lion-O's constant companion since early childhood, and was the young Lord's official nursemaid (Snarf prefers the term 'Guardian') for the first ten years of his life. During this time Snarf lived in Lion-O's ancestral home, the Palace Of Panthera Leo, where he also functioned as the family's official butler (Snarf prefers the term 'Guardian').

Snarf's full name is *Felis Snarfus Lacertilia Felidae*, which in ancient Thunderan dialect means 'Lizard Cat', and he still retains the ribbed, almost reptilian tail of his ancestors. In temperament Snarf seems cautious almost to the point of cowardice, and is always the first to object when Lion-O leads the Thundercats into yet another perilous encounter. However, he is actually brave, resourceful and keenly intelligent, qualities sometimes overlooked by the rest of the Thundercats. Snarf never feels he gets the credit he deserves for his achievements; after all, he is the only Thundercat who can recite all 600 pages of 'The Berbilfruit Cookbook' in reverse order. Currently, Snarf acts as official Cats' Lair chef (Snarf prefers the term 'Guardian').
