THE CATS' LAIR

SOMEONE IS HUNTING THUNDERCATS... AND DOING AN EXCEPTIONALLY GOOD JOB OF IT! And yet it's the Thundercats themselves who are off on a hunt this issue as the search begins for their missing guardian and adviser, Jaga! As you saw last issue, Jaga's spirit form was stolen away in the midst of a conversation with Lion-O. What has become of Jaga? Who is responsible for his disappearance? And if Jaga is truly missing, who's that advising Lion-O this issue? As if there wasn't enough mystery already, who's the shadowy figure accounting for one Thundercat after another? Lots of questions this issue, and unless Lion-O can discover the answers it could mean the end of the Thundercats! What's a leader to do when the cry of 'Thundercats – Ho!' rings out and not one Thundercat responds? It's the Thundercats' darkest hour, as Lion-O stands alone against not one, but **two** mystery menaces! And if you think this issue's events sound shocking, wait until the Thundercats' attacker is revealed in our next issue! It's gotta' be seen to be believed! Oh, and keep those letters and drawings coming to: **THUNDER-CHAT!, MARVEL COMICS, 23 REDAN PLACE, BAYSWATER, LONDON W2 4SA.**

SNARF'S CHALLENGE

"Right, Thundercats fans – let's see how good you are at identifying the Thundercats and their enemies. Listed here are seven descriptions of characters – can you identify them all? Write each character's name into the corresponding space on the word grid as you identify them. When all seven names are in place, an eighth Thundercats character will be revealed in the marked column. If you run into trouble the answers are at the foot of this page. Have fun, y'hear!"

CHARACTERS

1) A member of the lizard-like mutant soldiers.
2) This cackling mutant continues to 'dog' the Thundercats.
3) This mutant is often up to 'monkey' business.
4) The fastest Thundercat on two legs.
5) The mutants' loathsome leader.
6) A Thundercat with a knack for camouflage.
7) The hereditary leader of the Thundercats.

Answers: 1) Reptilian; 2) Jackalman; 3) Monkian; 4) Cheetara; 5) S-S-Slythe; 6) Tygra; 7) Lion-O. And revealed in the vertical column – *Panthro!*

NEXT ISSUE

THE LAST THUNDERCAT... IS ON HIS WAY OUT!

One by one they have fallen. Tygra, Panthro, Cheetara, Snarf, Wily Kat and Wily Kit – all have fallen prey to a ruthless and remorseless hunter. Even Jaga, though back after his mysterious disappearance, seems somehow *changed!* Next issue Lion-O fights alone against not one, but **two** deadly enemies! Not only must he battle the Thundercats' most evil and powerful foe (no prizes for guessing who that is!), but he must also face a foe from much closer to home! Can Lion-O possibly prevail? The answer to that question could well be no, as Lion-O discovers that even the fabled Sword Of Omens may not save him! Action, excitement, treachery and deceit – all this and more awaits you right here in seven days' time. Don't dare miss it!

THUNDERCATS 4 – GET ONE BEFORE THEY'RE ALL GONE!
