THE CATS' LAIR

KNOW, O PRINCE, that between the years when the oceans drank Atlantis and the gleaming cities, when shining kingdoms lay spread across the world, hither came Snarf the Savage, sword in hand, to tread the jewelled thrones of Third Earth under his furry feet... 'Cats' Lair receives a plaintive cry for help this issue – unfortunately, there's nobody home to answer it. Nobody, that is, except everyone's favourite Thundercat chef and all-round catsbody, Snarf! Not everyone's first choice to hold off a full-scale attack from the Forest of Gorgons and Manticores, you might think – but with Berbil Village in mortal danger, Snarf has little choice. Who are the invaders? Where have we seen them before? Can they withstand a *Snarf Attack*? You'll find the answer somewhere in the next eleven pages! This week's Mini-Poster is a chilling little number from the cover of *Thundercats* 32, and comes to you because Richard and Mark King of Marlow and Zena Hambley of Parsons Green demanded it! We join *Power Packs*' Kymellian cousin, Kofi, in a spot of interplanetary bother on page 18, as the Snarks advance their plan for world domination. Meanwhile, back on planet Earth, *Power Pack* are in some danger themselves – under the ice of a frozen lake in New York's Central Park! With full hostilities re-opened between *One Cat And His Cod* on page 23, it's anything but a quiet life in *THUNDERCATS* 49. Read it in a heavily soundproofed bedroom!

COCO CATS!

We're going colour crazy in next week's **THUNDERCATS**, courtesy of Kellogg's own Coco Monkey. Coco will be here in an exciting competition, in which he'll be offering you the chance to win a range of prizes, including cuddly Coco Monkeys, Coco Monkey's very own jungle bags, and rather splendid illustrated copies of Rudyard Kipling's 'Jungle Book'.

And that's not all – anyone who enters the competition and sends a Kellogg's Coco Pops packet top with their entry will receive the bonus of a great Kellogg's Coco Pops magic hologram and character stencil absolutely, honest-to-gosh FREE!

The jungle stencil is just one of a set of six which you can find in the special packs of Kellogg's Coco Pops on sale now – so look out for them and start collecting.

BERBILS HO!

Dear Snarf

Could you please tell me what Mumm-Ra is? If he is so evil now, what was he like when he was a baby (if he was a baby!)? How old is Mumm-Ra, and where does the Astral Moat Monster live?

May Jaga be with you,
Scott Blackwell
Essex

Thanks, Scott! The Astral Moat Monster lives – wait for it – in the Astral Moat! As for Mumm-Ra, he's the thousand year-old (at least) devil priest of Third Earth. Mumm-Ra made himself unpopular as a baby by hurling lightning bolts at his parents and threatening to destroy the baby-sitter...

Dear Snarf

I would like to ask you some questions:

- 1) Can you buy Castle Plun-darr as a toy?
 - 2) Can you buy Berbil Village as a toy?
 - 3) Can you buy the Berbils?
- Scott Breedon
Pontefract

- 1) **Not yet, Scott!**
- 2) **Nope!**
- 3) **Yep!**

Dear Snarf,

I have some questions for you;

- 1) How do we get to Third Earth?
 - 2) Who does the cooking for the Thundercats?
 - 3) Is there going to be another comic featuring the Berbils?
 - 4) What do the Thundercats drink?
- Alexis Bentham
London

- 1) **It's a toughie, Alexis! We dismantled our starship to build Cats' Lair, and your average terrestrial spaceships have enough trouble getting to and from your own moon. Don't wait too long at the bus stop!**
- 2) **Me!**
- 3) **Nope – but we'll be seeing more of them in future issues!**
- 4) **Wouldja believe Berbilfruit milkshake?**

Dear **THUNDERCATS**,

I am madly in love with Jaga, and my friend Rachael loves Lion-O. At night I get my Panini Sticker Album and give everyone a goodnight kiss! I have some questions for you:

- 1) What is Jaga's signature like?
- 2) When is Wilykat's bedtime?
- 3) When is Lion-O's birthday?
- 4) What is Cheetara's top speed?
- 5) What is Tygra's hobby?

6) Will there be a Jaga Fact File?

THUNDERCATS forever!

Melanie Dent

Reading

P.S. Tell Lion-O to say hello to Jaga for me!

- 1) **Faint!**
- 2) **That depends on how much he annoys me, Melanie! Snarf! Snarf!**
- 3) **On the seventh day of the seventh month in the Year Of The Lion!**
- 4) **Over 170mph!**
- 5) **Trying to cut his toenails whilst he's invisible!**
- 6) **There already is, Melanie – it appeared in issue 27!**

Dear Snarf,

Please could you help me find a boy or girl pen pal? I am nine years old and my hobbies are reading, drawing, drama and writing stories.
