THUNDERCATS™

YOU'RE
TOO LATE,
THUNDERCAT!
THE BERRBIL IS
HISTORY!

THE CATS' LAIR

THE COVER DOESN'T SAY IT ALL! On the face of it, we've Ro-Ber-Belle Berbil, menaced by Mutants Jackalman and S-S-Sliith. But the full picture is far more sinister – and you'll see why in the next eleven pages, as we ascend Mount Anguish to meet Ta-Sha – sister of Mumm-Ra! Dark sorceries hold sway over Third Earth in part two of *Doomgaze*! Mumm-Ra's temper also shows little sign of improvement in the centrespread, as we revisit the cover of **THUNDERCATS 35** in our *Mini-Poster* feature, courtesy of Alison Carruthers of Dunfermline and Louise Warrillow of Stoke On Trent. Snarf weighs in for another bout of *Thunder-Chat* on page 17, and don't forget that sultan of the cereals, that colonel of crunch, Captain Rik, on page 18! After that, you should be in just the right frame of mind for part two of our gripping Thundercats mini-series, *Ghost In The Machine*! Lion-O and Tygra walk through a monitor screen into a strange, alternate-Universe Third Earth – and there's TV violence galore in store before they find their way out! *One Cat And His Cod* have their own individual approach to the same problem on page 23 – rounding off **THUNDERCATS 52**. We're a year old – but who's counting the wrinkles?

Dear Loveable Snarf

I have some questions for you:

- 1) Does Lion-O ever get bored with being leader?
- 2) How long can Cheetara jump?
- 3) What was Thundera like?
- 4) Which cat do you get the most letters about?
- 5) If you were not a Thundercat, what would you most like to be?

Melanie Hardacre
Dorset

1) Does Lion-O ever get tired of bossing people about? Sitting at the head of the table? Being first in line at mealtimes? Not so far...

2) Dunno, Melanie - I've never been able to run fast enough to find out where she landed...

3) Nice!

4) You're looking at him!

5) Rich!

Dear Very Friendly Snarf

Please, please, please could you tell me when you were born, because I like sending birthday cards to people.

Emma Brady
Boofle

Difficult, Emma - I was a Rammastide Snarflet, which translates roughly as December 29th in your calendar. Hope you've got a long memory!

Dear Snarf

We all think you're great, but if you get rid of *Power Pack* we might change our minds...

We get your comic every week and we think it is brill! Beth's

little brother likes all the Thundercats, especially you. We know that Lion-O is a lion, Cheetara is a cheetah, and you are a Felis Snarfus Lacertilia Felidae, but what are Wilykat and Wilykit? Also, please don't call us terrestrials, and don't call us Earthlings either!

Mae Park, Beth and Daniel Kibble

Actually, I was going to call you Mae Park, Beth and Daniel Kibble! As for your question, Wilykat and Wilykit are IRRITATING!

Dear Snarf

I don't think it's very nice for Panthro to keep calling you squirt! Tell him to pick on someone his own size for a change!

Katie Charlton
Wokingham

PS. I think you're the sweetest Thundercat of all!

You'll get no argument from me, Katie - but Panthro has other ideas! His reply to your suggestion was to stand me on a chair until we were nose to nose... and then call me a squirt at the top of his voice! Guess they didn't have too many charm schools in his neighbourhood...
