TERROR'S CRADLE!

THE CATS' LAIR

BABY WHAT A BIG SURPRISE! There's a worried-looking Snarf in THUNDERCATS this week! Nothing new about that, of course – but when the cause of the problem is a certain Hercules baby, Snarf has every reason to look mildly concerned. Snarf's training as nursemaid to Lion-O comes in handy as he's left holding the baby – but it's when his pint-sized pal wakes up that the fireworks begin for *Father Snarf!* Find out why in the next eleven pages! The *Mini-Poster* for this week features Lion-O, indulging in a spot of rock breaking from the cover of THUNDERCATS 38. It's the request of Pam Lennard of Kings Langley and Mustapha Hussell of Cornwall – and remember – if there's any cover you'd like to see from the THUNDERCATS Hall of Fame, let us know, OK? Both Thunder-Chai and our newest feature, *Thunder-Art* take a break this issue, but they'll be back – which just gives us time to remind you that we're looking for more, more, more examples of awesome artwork to print – and there's only one place we're going to find that, so get busy! The address is *Thunder-Art*, Marvel Comics, 23 Redan Place, Bayswater, London W2 4SA. The last of our bonus back-up strips featuring a double dose of Thunder-action is on page 17, as Panthro sets out on his toughest mission to date – picking Berbilfruit! Miss it not – because next issue we return to the tangled lives of a certain *Power Pack!* With that and the results of our *Designer Thundercats* competition, you're probably already rushing off to camp outside the newsagents for THUNDERCATS 56 – but don't forget to read this one before you break out the sleeping bags! THUNDERCATS 55 – we're still way ahead!

**How do the Thundercats
defend themselves
against the Luna-Lasher?**

ThunderCatsFans.org

Quickly.

In a remote area of Third Earth, Pumyra has ventured out alone and fallen victim to the latest Evil Mutant weapon, the Luna-Lasher. With the Luna-Lasher strapped to his back, Mummra can deliver crashing blows to any defenceless Thundercat. But he's not all that smart. Lion-O, wearing his new fast-flying Thunderwing Transporter, swoops inwards Mummra. Tuska Warrior wastes no time getting to the scene on the giant running legs of his new Stilt Runner, the fastest vehicle on two feet. Thanks to the Thundercats' swift new Transporters, Pumyra is soon safe again, as Mummra, who knows when he's outnumbered, retreats.
